PR-4

29 March 1968

The Honorable Alexander H. Flax
Assistant Secretary of the Air Force
(Research and Development)
Room 4 E 973
The Pentagon

Dear Al:

I am sending you the annexed assessment of the recently acquired GIANT SCALE photography for your information on an eyes only basis. The memorandum suggests that there is nothing wrong with existing processing arrangements but that NPIC analysts prefer the OXCART camera system.

Sincerely,

/s/ John A. Bross
